Member Questionnaire / Survey

BHSEA Member Survey 2013

BHSEA is a registered charity committed to promoting the health, safety, welfare and wellbeing of working people and the organisations in which they work. This extends to an organisation's physical assets, the environment, and the community in which it serves or in which it operates. By completing the survey - which will only take a few minutes - you will be helping us to help you and those who work for you. In particular, we would like to know what you currently do that you value, and see other things we could do, or do better. If in addition to completing the survey, you would like to discuss your views and ideas please telephone Liz Phipps on 0755129222 or email info@bhsea.org.uk. The survey is designed to hear from you, and the three best ideas/inputs will qualify for one year's free membership. **Thank you!**
