Help for the industry – from the industry

Tuesday 18th May 2010

FREE Construction Work at Height SHAD

This is one of the series of **free** partnership events run by the industry for the industry, as part of the Working Well Together (WWT) campaign.

The aim is not only to raise awareness of key health and safety issues facing the construction industry specific to your trade, but also to give practical advice on how to avoid risks on construction sites.

If you have a small building, construction or contracting company, or if you are self employed and have involvement with work at height then this **free** event is a **must**.

BOOK NOW! As places are limited

**For further information call:
Rahi Syed on 0121 607 6261**

There is no charge for the event; however numbers are restricted to **two** representatives per company.
