Our aim

To improve the health, safety, welfare and wellbeing of working people and the organisations they work for by networking, sharing and learning, the adoption of good practice and continuous improvement.

This extends to an organisation's physical assets, the environment, and the community which it serves or in which it operates.

Who we are

- The Association was formed in 1930 when the Factory Inspectorate invited industry representatives to meet and discuss how to reduce the number of accidents.
- We are run by a group of volunteers and a part-time secretary / administrator.
- We are funded mainly by income from legacy assets / investments, supplemented by modest membership fees.
- We are open to all – individuals, companies, organisations, other charities – in all sectors.

What we do / provide

- Monthly meetings on topical issues (free buffet lunch)
- Periodic seminars and other sharing and learning events
- Monthly Newsletter
- Web-site with extensive material and links to other sites
- Networking, sharing and learning opportunities
- Opportunity to hear from and meet with HSE Inspectors
- Answers to your questions from experienced practitioners
- Use of our Quinton premises for meetings and training
- Provision of health and safety leaflets and guidance
- A strong and active construction industry section

How to join

- Go to 'How to join ...' on the 'BHSEA' website www.bhsea.org.uk or
- [Email](mailto:secretary@bhsea.org.uk) or telephone the Secretary, Liz Prophett

Cost of annual membership

- Up to 250 employees - £35 + VAT (£42)
- Over 250 employees - £60 + VAT (£72)

What's in it for you?

- Keeping up-to-date with H&S law and practice
- Hearing about HSE priorities, campaigns and enforcement
- Learning from other members and organisations
- Annual membership certificate to display in your premises
- An indication of commitment to employees, customers, clients and insurer
- A place for your suppliers/contractors to learn about HS&E
- Somewhere to raise your issues, concerns and questions
- For individuals, including consultants: Maintaining CPD
- For small and medium enterprises and those in part-time HS&E roles: An opportunity not available elsewhere
- For larger organisations: Membership, involvement and support as part of social responsibility/community agenda
- For seasoned/retired professionals: An opportunity to stay involved, give something back (and exercise the brain)
